

The Plan

24/01/2023

MILANO 3.0
NEXT GENERATION LIVING

Milano 3.0-Next Generation Living

The presentation board features a QR code in the top left corner. The main title "MILANO 3.0 NEXT GENERATION LIVING" is displayed in a yellow box at the top right. Below the title is a box containing the text "INNOVATION AND DESIGN / FUTURE". On the left side, there is a hand-drawn architectural sketch of a building's facade. The central part of the board is dominated by a large aerial rendering of the proposed residential complex, showing modern multi-story buildings with balconies and green roofs, situated in a lush, green environment with a river nearby. At the bottom left, there is a rendering of a modern interior living space with large windows and contemporary furniture. At the bottom right, there is a rendering of the building's exterior at night, highlighting its architectural details and greenery. The text "CREDITS" is located below the sketch, followed by the project details.
